## **Motherhood Matters**

[May 8, 2022- #4834 Music & the Spoken Word \(thetabernaclechoir.org\)](https://thetabernaclechoir.org/)

*Motherhood Matters. Indeed, few things in life matter more. Of all the good causes in the world,  
of all the ways we might try to make the world a better place, none have greater power and  
potential than the profound influence of a mother on a child.*

**Judy Note:** *I have a rough time with the reasoning of pro-abortionists who advocate they have  
the right to kill a living human being, inside or outside of the womb. When my daughter found*

*that she was pregnant and because of her severe health problems, several doctors advised her to abort the baby. She adamantly refused.*

*Now that beautiful child born four months early at a little over a pound, is a beautiful young woman contributing her talents to society – all because of the love of a mother.*

*With the help of a Priesthood Blessing my daughter made it seven more years to enjoy and raise her child and then went on to a more peaceful life free of this world's pain.*

*She had been severely ill since Kindergarten and once told me she couldn't remember a day in her life that she didn't feel ill. Those health problems greatly increased during and after her pregnancy, but she never regretted the decision to keep her baby – who became her very reason for living.*

*Just before she passed I asked her why I had never heard her complain about not being able to do the common ordinary things that her brothers and sister enjoyed. Without hesitation she softly said, "Mom, I figured I chose to have this unhealthy body when I came to this earth, and I chose to have this unhealthy body again when I decided to have my baby. If I made that decision twice, how could I complain about it?"*

*May we all strive to possess that tremendous amount of love for life, children and one another.*

**Judy Note: Code Red Big Announcement expected on Tues. 10 May.**

- **The world's top virologists**, biologists and immunologists concluded that C19 was created in a lab – a lab that was run by the US National Institute of Health – and paid for by US taxpayers.
- **Left-wing political bureaucrats** in the US Government Fauci and Collins circumvented Congressional oversight by modifying pathogens in a foreign country – mainly in Ukraine.
- **The Chinese Communist Party and our own CIA** worked with the Left-wing bureaucrats to make sure that one of those pathogens "got out," which then enabled the Democrats to abuse emergency powers and implement mass mail-in voting, allowing them to subvert the 2020 Elections in a quest for power with a goal of ruling over The People: [2000 MULES BY DINESH D'SOUZA DOCUMENTARY - best news here](#)
- **The Supreme Court was considering a overturn of the 2020 Election due to fraud in all 50 states** as outlined in "2000 Mules." Such news has been kept out of the Mainstream Media due to the leak of a draft of Roe vs. Wade that indicated that the Supreme Court would likely overturn Abortion rulings, turning the authority back to the individual states.

#### **A. Global Currency Reset:**

- **On Sun. 1 May the Global Currency Reset** officially rolled out.

- **On Tues. 3 May** the IMF, DIS, World Bank, World Trade Organization and other agencies told Iraq that they had permission to revalue their Dinar.
- **On Wed. 4 May 2022 and in a Shotgun Start, the new Quantum Financial System** began syncing every bank and country's currency in the World to revalue into a Gold/Asset-backed System, plus Tiers 1 and 2 were paid out.
- **On Fri. 6 May** Zimbabwe said they would de-peg from the US Dollar and go gold/asset-backed.
- **On Sat. 7 May** the Iraqi Dinar revalued.
- **This past weekend** 209 nations' currencies went gold-backed and revalued those currencies at a 1:1 with each other.
- **On Sun. 8 May** Prosperity Packages and Fines and Penalties completed payouts, plus the new rates were locked in.
- **Tier 4B** was expected to be notified to set redemption/exchange appointments somewhere from **the middle of this coming week or by Sun. 15 May**.
- **When the Redemption Code was released by the Military Alliance**, Mass Arrests would begin.
- **Please keep in mind** that in the Global Currency Reset, absolutely no one would be privy to the exact time and date of Tier 4B (us, the Internet Group) notification. It would be decided by the Military Alliance's Quantum Computer after an analysis of world events and how such impacted security of The People of the Globe.

- **BREAKING: The Supreme Court Justices of the United States have been assigned 24-hour Military protection.** The guise is that the Justices need protection due to the Roe vs. Wade decision that is impending. That is false. The "leak" which occurred this

past week, regarding the SCOTUS opinion to overturn Roe vs. Wade, was fake. This was designed to distract the Left from the REAL decision that has been in front of the court: The 2020 General Election. Within the next several weeks, the SCOTUS will be overturning the 2020 General Election, due to massive fraud in every single state. "You have been watching a movie. ## **I. Covid/Vax Hoax:**

- **Med beds, the Jabs & “the Great Reset”. What’s Going on with All?** Many people wonder whether the med beds will reverse the harmful effects caused by the CV-19 “jabs” to their loved ones and whether the “Great Reset” is already being rolled out, or will manifest, as planned by the global self-appointed “Elites”. What are these med beds? What types of med beds are available and in use in the military and SSP? Moreover, is the “great reset” progressing unabated or perhaps there’s something else going on. Would med beds cure those who were jabbed and how are med beds connected to the “great reset”? <https://massawakening.org/med-beds-the-jabs-and-the-great-reset/>

This lipid nanoparticle messenger RNA platform, I don't care what you attach it to, it is always going to travel everywhere. It's always going to be a problem. And that's why you see the distribution of disorders coming from this after the vaccines affect so many different organ systems because it distributes everywhere."

## **J. Who broke the Nuremberg Code with the CV-19 vaccines, masks and mandates?** **Whiplash347**

It’s so depressing to realize that so many members of our society are CLUELESS about the Nuremberg Code, the Nuremberg Trials and the Rule of Law. IGNORANCE of the LAW is NO DEFENCE. All those in breach of the Nuremberg Code WILL be held liable for their actions and omissions in imposing/mandating/directions/policies/statements/advertising etc in relation to tests, masks and injections

Let’s start with those already now identified:

1. The CDC.

2. The WHO.
3. The governments of all those countries who mandated masks, tests and/or injections.
4. The vaccinators/medics/doctors/nurses/paramedics
5. The schools
6. The Hospitals
7. The Health trusts
8. The Health departments
9. Most corporations
10. Scientists who advised the above.
11. MPs/government ministers
12. The Unions
13. Shops
14. Transport systems
15. The police
16. The army
17. Anyone who conspired, aided and abetted, or was complicit in assisting any of the above.

**K. CIA behind secret plot to kidnap, torture and assassinate Ukrainian dissidents for President Zelensky, says Ukraine defector**

- **Techniques of Torture and Assassination** Deployed by the SBU (Ukraine's CIA)  
Recall the U.S.'s Brutal "Operation Phoenix" in Vietnam Vasily Prozorov, a former officer with the Security Services of Ukraine (SBU) stated soon after his defection to Russia in 2018 that the SBU had been advised by the CIA since 2014.
- **"CIA employees [who have been present in Kyiv since 2014] are residing in clandestine apartments and suburban houses," he said.** "However, they frequently come to the SBU's central office for holding, for example, specific meetings or plotting secret operations."
- **See video Prozorov's revelations take on extremely ominous implications in light of a new report by The Grayzone Project** detailing the SBU's participation in a campaign of assassination, kidnapping and torture overseen by Ukrainian President and Western media darling Volodymyr Zelensky.

- **The campaign bears comparison with Operation Phoenix in South Vietnam**, which resulted in the killing, imprisonment and torture. <https://www.sott.net/article/467410-CIA-behind-secret-pplots-to-kidnap-torture-and-assassinate-Ukrainian-dissidents-for-President-Zelensky-says-Ukraine-defector>

#### **L. The DNC created a biological weapon to win an election, Clandestine**

- **Now that we've all seen 2000 Mules from the ground level, let's look at it from 40,000 feet.** Let's discuss how this piece fits into the overall puzzle, and how it is directly associated with C19 and Putin attacking the 30+ US biolabs in Ukraine.
- **What made this method of voter fraud possible? MAIL-IN VOTING.** As a result of media generated fear over C19. We all remember the Dems foaming at the mouth over Trump's pushback on mail-in voting. The only way their plan works, is if the Dems were able to abuse emergency powers to install mail-in voting, in the event of an emergency. So what did they do to ensure they won the election? They created an emergency.
- **As we all saw in my thread on the FOIA emails, the world's top virologists, biologists and immunologists concluded that C19 was created in a lab.** A lab that was run by the US NIH. And all of this was covered up by left-wing political bureaucrats Fauci and Collins.
- **So a leftist run agency in the US Government was circumventing congressional oversight to modify pathogens in foreign countries.** One of these pathogens "got out", which enabled the democrats to abuse emergency powers to implement mass mail-in voting, which allowed for them to subvert elections with the methods outlined in 2000 Mules.
- **Now does it make sense as to why Biden/Obama/DNC, using Hunter Biden as a proxy, via Rosemont Seneca, funneled US DoD money to Hunter Biden's bio company Metabiota and other Biolabs in Ukraine?** The DNC and globalists are all directly involved in biological gain of function research on pathogens. And the result of one getting out just so happened to benefit the DNC and Globalists on all fronts. And they just so happen to have a nationwide network of ballot harvesting and trafficking mules at the ready, in liberal cities, in key swing states. And the plan solely relies on mass mail-in voting in order to carry out.
- **Now does it make sense as to why Putin is attacking US biological facilities near his border?** And why China, Russia, India, Brazil, Mexico and Gabon all voted at the UN Security Council, that the US biological network needs to be investigated...
- **This is why the media and the Dems are so worried about Ukraine. This is why the fact checkers and the left-wing media machine are still denying the existence of US labs in Ukraine at all.**
- **This is why the Dems wanted to send US troops to Ukraine to defend these labs.** Because their bio capabilities are what allows them to retain power over the People. Stealing elections, implementing a police state, force vaccinating, censorship of political

dissent under the guise of public health. C19 gave them the power to do whatever they wanted.

- **Did the DNC have another “variant” planned for release before the midterms so they could do it again?** Did Putin know about it? Is that one of the reasons Russia targeted and attacked our Biolabs? Is that why Victoria Nuland and the rest of the DNC are terrified of their “research” falling into Russia’s hands?
- **Soon, they will start pushing for mass mail in voting again** for the midterms. Watch. It’s their only way.
- **The Timeline:**
- **-Hunter Biden funnels US DoD money** to foreign biological facilities to modify pathogens
- **-A modified pathogen “escapes” a lab** in a foreign country, which results in a global shutdown
- **-This “pandemic” results in the emergency implementation of mail-in voting** by the DNC
- **-Mail-in voting opens the door for the DNC** to utilize the methods outlined in 2000 Mules to commit mass voter fraud in swing states.
- **-Joe Biden “wins” election.**

#### **M. Hunter Biden’s “Laptop from Hell”:**

- **A whistleblower who's fled the United States for Switzerland** has vowed to drop '450 gigabytes of deleted material' from Hunter Biden's abandoned laptop, which he says he also gave the the Washington Post, New York Times, and Sen. Chuck Grassley - all of whom he says sat on it for months.
- **For the past two weeks, former Steve Bannon War Room co-host Jack Maxey has been hiding in Zurich**, where he told the Daily Mail he's been working with IT experts to dig more data from Hunter's 'laptop from hell,' and that he'll post it all online in a searchable database in the coming weeks.
- **Maxey says the data includes 80,000 images and videos**, and more than 120,000 archived emails. "I came here so that we could do a forensic examination of Hunter's laptop safely in a country that still respects human liberty and the ideals of liberal democratic principles," he told the Mail. "I do not believe this would have been possible inside the United States. We had numerous attempts on us from trying to do things like this there."
- **Maxey said that after contacting DailyMail.com about the laptop last year, black suburban SUVs appeared outside his house**, and former US intelligence officer friends he shared copies with told him they received strange calls. 'I showed this to a friend of mine in desperation in February [2021] because nobody would listen to me. No news organizations would take it. In fact, the very first major news organization to take it was the Daily Mail,' he said.

- **'Very dear friends of mine, the sharp tip of the spear, were making welfare calls to me every day, basically to see if I was still alive.'** One former intelligence agency senior staffer allegedly told Maxey after he received the hard drive two years ago "If you don't release enough of this, so that they know you can release all of it, I'm telling you brother, you're a dead man."
- **After receiving this advice, he began posting caches of emails and other material from the laptop on various file sharing sites - only to find the links removed within an hour.**
- **"There were five drop boxes: two in the United States, one in New Zealand, two in the UK.** All the same drop boxes in which they tell us child pornography is shared around the globe without any consequence because they can't look at it," he said, adding: "These are all Five Eyes countries, English speaking countries in an intelligence sharing agreement. And they were all ripped down."
- **So this means that our intelligence services, who still have not even acknowledged that they have Hunter Biden's laptop, were obviously diligently doing cache searches across the internet** to find out if any of this stuff was being released. That should terrify every single decent person in the West."
- **According to Maxey, he went to Switzerland because they are home to the only file sharing site that didn't nuke the laptop files.**
- **The former Bannon podcast co-host said he is livid at the FBI,** who he believes slow-walked their investigation into Hunter and failed to enter the laptop they received from Mac Isaac into evidence for months.
- **According to the New York Times, files from the laptop are now part of the evidence in Hunter's federal prosecution for alleged tax fraud, money laundering and illegal foreign lobbying.**
- **Among the files on the laptop are a raft of emails and documents showing Hunter's dealings with Burisma,** a Ukrainian gas firm that became the center of Trump's first impeachment in December 2019. The then-president was accused of pushing Ukrainian president Volodymyr Zelensky to announce investigations into the Bidens and Burisma for alleged corruption.
- **The FBI had this on the ninth of December 2019," said Maxey. "I suppose the first person betrayed was a sitting US president** in an impeachment hearing, when the FBI had the exculpatory evidence in their hands to have that end instantly, and they did nothing."
- **Inside the Hunter Biden laptop** was a blue print of the World Agenda Deep State Plan to create a fake Pandemic to reduce the world population.
- **All the Deep State presidents/ prime ministers and Elites** from oil companies, to world Banks, to Major Media outlets, to Bill Gates, to Ukraine Nazi infiltration were connected.
- **The DNC and around the world corruption** connected to Hillary Clinton, Obama and Biden.

- **Jack Maxey was already telling friends** and close high Level players that the Biden Laptop was much bigger than the 2020 stolen Election. Maxey's I.T Team, and top cyber forensics experts at Maryman & Associates examined the hard drive to determine it's authenticity.
- **The firm's founder, Brad Maryman**, was a 29-year veteran of the FBI, served as a Chief Information Security Officer and founded the bureau's cyber forensics unit. His partner, Dr. Joseph Greenfield, was an associate professor at the University of Southern California and helped write their degree program in intelligence and cyber operations. After an extensive analysis of the hard drive, Greenfield and Maryman produced a report for DailyMail.com detailing their findings.
- **'The operating system timestamps appear to be authentic**, and no evidence was found to suggest that the timestamps or data were altered or manufactured,' the report said. 'No indications were found that would suggest the data was manufactured.'
- **Maxey stated to several friends that all deleted data**, photos, and videos on the computer and hard drive were found and fully restored – including all pedophilia, the Deep State world agenda and evidence connecting world officials and organizations.
- **The laptop went into the hands of Military courts** and they have everything already backed up and stored.
- **What your watching now is the movie. Keep your eyes on Delaware where Hunter Biden was in a hidden secret court** with family testifying against him. It's reported that Hunter was cooperating with the investigations and coming indictments.
- **Over three billion people on Earth** just went into the new Gold-backed financial system. The White Hats have put it in place through China, Russia, India, Saudi Arabia and many other Asian countries.
- **The global financial system** was now trading on the Gold-backed system.
- **GESARA** now begins.
- **The collapse of the Deep State Central Banking System** was in free fall.

**Jenny Hill’s witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

#### **Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

**R. The following have been set up to report Crimes Against Children and incidents of human trafficking**, although I cannot verify as to the influence of Satanists within the organizations:

**S. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**T. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
